* Serves as the official medium of communication between the Board of Directors and all deans, heads or department chairs, directors, and all other administrative officers, faculty members, students, and employees.

* Advises the Board of Directors on any incompatible actions or proposals regarding institution regulations and procedures.

* Ensures compliance with statutory and legal requirements, ministerial regulations and accreditation requirements are met throughout the institution.

Leadership

* Provides executive leadership and oversees the entire institutional operations through the senior leadership team. Defines the scope of authority of faculties, councils, committees, and officers of the institution; and authorizes and approves all projects, programs, and institutional reports undertaken on behalf of the institution.

* Exercises full authority in the regulation of student affairs and in matters of student discipline.

* Provides suggestions and directions, and organizes follow up to ensure all set goals for each unit are achieved.

* Provides strategic leadership in planning, continuous improvement, budgeting and evaluation, in academic, administrative and financial systems.

* Monitors the progress towards attaining various institutional strategic goals and objectives. Directs appropriate actions to improve success by achieving major improvements in the overall effectiveness of core processes across the Institution by reducing waste and resolving major problems.

Planning

* Conducts business by planning and assigning clear objectives for 5 years.

* Provides follow up on achieving tactical goals by setting and approving a realistic Balance Scorecard for each member of the senior leadership team.

* Participates in campus planning activities relating to tuition rate, financial assistance, graduate student support, academic buildings, space use, research infrastructure and academic programs.

* Plans and develops public relation policies to improve Institution image and relations with academic staff, students, other employees, regulatory agencies, government ministries, and the public; delivering significant improvements in the level of awareness for and external recognition of the Institution.

* Develops the scope, quality and productivity of the Institution's academic, administrative and community outreach programs in collaboration with the Provost and Vice Chancellor.

* Oversees the effectiveness and research activities of the Institution.
