Location:Stevens Institute of Technology, Hoboken, New Jersey

Position Description

This is a position split 50-50 with the Office of International Programs (OIP) and the Office of Special Programs and Administration at Stevens Institute of Technology in Hoboken, New Jersey. The Office of International Programs provides strategic direction, operational excellence, and visibility for all internationalization efforts of Stevens Institute of Technology. These include education abroad, international partnerships and exchanges, international undergraduate student programs, co-curricular programming, and research. This position is responsible for providing support to the office and coordination of a variety of programs/events related to study abroad and international undergraduate student initiatives. The Office of Special Programs oversees the operations of the Pinnacle Scholars Program and the Clark Scholars Program.

Duties & Responsibilities for the Office of International Programs

- Coordinate the planning and facilitation of the International Exchange Student Orientation (Fall and Spring) and collaborate with Undergraduate Student Life for the new international undergraduate student orientation
- Assist in the Pre-Departure Orientations and Welcome Back events for Stevens students who are studying abroad
- Coordinate planning and execution for the office's events such as Study Abroad Fairs, information sessions, international student meetups, tabling outside Pierce dining, etc.
-

Advise students on education abroad program options and the application process

- Conduct daily administrative duties such as doing research; collecting, analyzing, and reporting on data; participating in office meetings; preparing materials for events; keeping detailed records; assisting with office functions; responding to student inquiries
- Coordinate the committee which plans and implements International Education Month
- Assist with the Global Ambassadors Program, including coordinating student panels
- Assist with management and data analysis within the VIA TRM study abroad software
- Perform administrative tasks such as:
- Coordinate financial processing with the Office Manager, Office of Undergraduate Academics and Special Program to process office requisitions, disbursement vouchers, study abroad stipend and scholarship processing and Concur transactions
- Maintaining office inventory and ordering office supplies
- Data entry and maintenance
- Provide input on issues related to both exchange student and study abroad student needs.
-
