SITLEARN Professional Development is the Singapore Institute of Technology's lifelong learning division. SITLEARN Professional Development caters to working adults who are keen to upgrade their skills and offers multiple pathways for individuals to gain access to higher education learning.

Building on SIT's reputation as the pioneer of the applied pathway model for Autonomous Universities in Singapore, SITLEARN Professional Development's courses and programmes emphasise the integration of theory with hands-on application, and are delivered by SIT faculty, thought leaders and supported by industry experts.

We are seeking an Assistant Manager (Business Development) to join our dynamic team and create an impact on the ever-changing Continuing Education & Training (CET) landscape.

The candidate will work closely with dynamic team members in the department in areas not limiting to end-to-end client and business development activities and SkillsFuture initiatives.

Responsibilities

- Support the team to bring Continuing Education & Training (CET)/SkillsFuture programmes from idea to fruition. Support client, process related and developmental projects
- Assist in assessing industry needs, competitive landscape and developing new programmes that meets market demand
- Assist to engage clients in preliminary needs assessment, proposal development, contract negotiations, legal documentations and post-programme evaluation in ensuring that client needs and expectations are met
- Assist to develop and manage partnerships (e.g. MOUs) with internal & external stakeholders such as industry partners, funding agencies, public sector agencies and Institutes of Higher Learning
- Assist to cross-promote and recruit participants for Open Programs
- Assist to support faculty to develop high quality programme presentations, proposals till implementation
- Ensure oversight of the quality of program delivery and manage post-programme debrief together with faculty in ensuring that client needs and expectations are met
- Develop contact reports, database of clients and visibility of all client opportunities and progress
- Monitor outcomes, track progress and prepare reports of the CET Programmes/SkillsFuture initiatives for management
