Job Description

The [College of Arts and Sciences \(CAS\)](#) at the [University at Buffalo](#) is seeking a **Associate Director of Research Administration** that will support all sectors within the college with Pre- and Post- Award activities. You will work collaboratively with faculty from assigned departments across three academic sectors in the College (Arts and Humanities, Social Sciences, and Natural Sciences and Mathematics).

Working closely with the Unit Business Officer and Associate Dean for Research in the College of Arts and Sciences, the incumbent is responsible for:

- Establishing and maintaining a robust pre- and post-award sponsored projects management structure for all sectors.
- Demonstrating the ability to make data-driven decisions, using organizational data to determine

trends, and to refine and optimize resource deployment.

- Overall responsibility for training and supervising a team of pre- and post-award specialists that will support the faculty in all sectors with the aim of reducing the burden of grant administration.
- Collecting, organizing and providing a detailed analysis of information regarding all aspects of research productivity with a strong focus on sponsored research activity. This information is to be used in support of research operations, planning, reporting and strategic decision-making. As such the incumbent must be an effective communicator, facile in using presentations, narratives, and written reports tailored to convey relevant information to the target audience.
- Serve as the liaison between administrative staff, Unit Business Officer and the Associate Dean for Research. This involves supervising staff to maintain consistency and effectiveness. You will regularly review staff performance and seek out professional development and growth opportunities for the staff you oversee.
- Adhering to University and College policies and procedures and implement processes with an eye toward efficiency and best practices.
- Serving at the liaison between Sponsored Project Services and CAS faculty members and as the liaison between the grants management team and other CAS shared services team.

The College of Arts and Sciences is a large college, with a small college feel. We are the largest academic unit at the University at Buffalo, with 29 departments and 16 academic programs, 23 centers and institutes, two art galleries and major theater and music performance venues. We provide education and scholarship in the Liberal Arts and Sciences to the University, the Western New York community and the world at large.
