Job Description	

Position Summary

The Director of Human Resources is an exciting leadership opportunity to manage critical human resource functions and serve as the unit HR officer for the **School of Management** at the University at Buffalo. Reporting to the school's Unit Business Officer, this position provides proactive HR generalist support across all funding sources for the school's academic departments, administrative offices, and professional centers. The candidate will need to be comfortable performing both strategic and tactical work while championing change at all levels of the organization. This position will work to optimize the human resources functions in support of the school's mission, vision, and goals while working to align with overall University HR policies and procedures. Successful candidates will develop highly collaborative relationships with counterparts in other units as well as central HR offices.
