Job Description	

Position Summary

The **Director of Instructional Services** (DIS) will provide leadership of the Instructional Services Unit. In this role, the DIS will research, develop, and implement new programs while maintaining high-quality delivery of existing programs. They will oversee program approval and re-approval, distance learning platforms, labor market research, and the academic calendar. Additionally, they will assure compliance with applicable regulations and guidelines including performance guidelines promulgated by the State University of New York and the faculty and staff contracts. They will lead the recruitment, training, retention, evaluation, and support of academic staff and faculty and assure proper assessment of student learning to enhance and improve instruction and student success.

In this position you will:

- Ensure that site staff and programmatic activities comply with NYS Department of Education and NYS Department of Labor rules, regulations, policies, and procedures.
- Co-develop various professional development workshops for faculty and staff to focus on things such as the impact of poverty, learning strategies, common core standards, data analysis, instructional best practices, integrating technology in the classroom, etc.
- Support diversity and inclusion training for faculty and staff to understand their students in the classroom and personal backgrounds.
- Routinely participate in observations of faculty and staff to mentor and support their professional growth.
- Supervise the faculty and staff in the Instructional Services Unit.
- Responsible for the development and implementation of the master schedule, program and course descriptions.
- Responsible for providing leadership and supporting the integration of technology into instruction.
- Oversee the hiring and orientation of new instructors.
- Conduct consistent program review to ensure offerings are current and viable and to make formal recommendations for course offerings and modifications.
- Develop and implement policies and procedures that improve the delivery and assessment of academic services and enhance existing programs.
- Meet regularly with coordinators, department chairs and staff for the purpose of achieving the center's goals and UCAWD standards.

For 40 years, the [Buffalo Educational Opportunity Center](#) (BEOC) has been in the forefront of providing opportunities through education for economically and educationally disadvantaged citizens in Western New York. The BEOC makes real education and real success a tangible possibility for everyone lifting the community one success story at a time.
