Job Description	

Job Summary

The Assistant Director of Assessment and Planning for SEES is responsible for leading and supporting large-scale and small-scale assessment projects. This position constructs and administers surveys and assessment instruments and assists with designing and completing assessment plans and reports. The position also conducts workshops and other trainings for staff on assessment best practices. The incumbent works with and prepares real-world data sets for analysis and develops research reports. Given the nature of the positions in Student Engagement & Enrollment Services that provide support to student services and/or student-centered programs, the employee occupying this position may be required to work during a university closing.
