analytical and organizational skills. Strong managerial, interpersonal, supervisory and problem solving skills. Demonstrated ability to understand and to effectively use tables, views and rules within the database. Demonstrated ability to learn and apply new technologies, both hardware and software. Demonstrated ability to train internal and external constituencies, including creation of materials in a variety of formats and settings. Demonstrated ability to work on multiple tasks and with minimum supervision. Demonstrated ability to thrive amidst a hectic pace.

Special licenses, registration or certification

None

Education or training

None

Level and type of experience

Comprehensive experience in report writing, programming or project management. Considerable experience in analysis and programming. Considerable experience with relational database systems. Progressively responsible work experience with technological applications. Working experience with campus wide information systems such as Banner, PeopleSoft, Salesforce, etc.

Additional Considerations (supplemental knowledge, skills, abilities, education, experience, licensure, certification)

Comprehensive experience in a higher education setting and Ellucian's Banner administrative system. Comprehensive experience in high level use of Microsoft Access, Excel and other systems supporting business intelligence such as Cognos, etc. experience working in a database environment preferred. BA or BS in Computer Science or Information Technology discipline or an equivalent combination of education and/or experience may be substituted.

Conditions of Employment

Given the nature of the positions in Academic Affairs that provide support to student services and/or student-centered programs, the employee occupying this position may be required to work during a university closing as directed by their supervisor. These instances may include working from a remote location (i.e., telework, etc.).

This is an open until filled recruitment. This recruitment may close after the five-day required posting
