- Work with the SEAS Undergraduate and Graduate Academic Programs Committees (APCs) to develop strategies, initiatives, and plans related to assessment and accreditation.
- Collaborate on the maintenance/development of an established in-house software platform for collection and review of assessment data.
- Develop training materials and train faculty and staff in assessment processes and procedures.
- Lead the School's ABET and Middle States accreditation processes.
- Support the university's Annual Academic Program Assessment Report (AAPAR) Process and Comprehensive Program Review for SEAS programs.
- Represent SEAS on the Institutional Assessment Committee (IAC).
- Work with UB's Office of Curriculum, Assessment and Teaching Transformation as well as SEAS faculty and staff to design and disseminate exit surveys for SEAS graduates.
- Lead the data reporting for the School and its programs to the appropriate academic ranking and reporting organizations (e.g., AAU, ASEE, US News & World Report)
- Interface with the Assessment and Research team of UB's Student Life regarding the UB Next Survey and the associated data.
- Serve as SEAS Unit-Level Coordinator for the UB course evaluation process, managing course evaluations for the school.
- Gather, organize, and analyze data, often from disparate sources, with the aim of drawing connections between student preparation, activities, and academic performance.
- Interface with the SEAS IT Team to inform the development of tools to monitor student progress, identify at-risk students, and engage a student's support team.

Outstanding Benefits Package

Working at UB comes with benefits that exceed salary alone. There are personal rewards including comprehensive health and retirement plan options. We also focus on creating and sustaining a healthy mix of work, personal and academic pursuit – all in an effort to support your work-life effectiveness.
