### Position Summary:

Reporting to the Chief Student Affairs Officer/Dean of Students, Division of Student Affairs, the Executive Director is responsible for the overall direction, administration, fiscal accountability, risk management, policies and leadership for Campus Recreation facilities, programs, and services. The director is responsible for the Student Recreation Center (SRC) facilities and operations, SRC Building Services, Intramural Sports, Sport Clubs, Wellness Program, Outdoor Programs, Marketing and outdoor recreational facilities; long-range planning, program development and enhancements for the unit. The director will administer the procurement of fitness and capital equipment, furniture, and fixtures and asset management. The director oversees professional staff, works to establish a collaborative environment within the unit internally and externally, partnering with Student Affairs departments, other university departments, and off campus constituents. The director will supervise 15 FTE and 120 student employees, which are part of Campus Recreation. The director will also supervise the university Spirit Squad, which comprises a .5 FTE coach, in addition to student cheerleaders, dancers, and Joe Vandal.

This is an essential position that will be called upon in the event of an emergency and/or university closure.

### Minimum Qualifications:

Masters Degree in Recreation Administration, Business Administration, Sports Management, Higher education administration, Leadership, or related field;

Five to ten years progressively responsible experience in administration and supervision, preferably in campus recreation, of student affairs programs and professional staff, fiscal and facility management;

Excellent leadership and supervision skills;

Must possess proven ability in managing multiple budgets, planning and policy development and implementation, evaluations and assessment methods, strategic planning; safety and risk management, capital project management;

Must demonstrate a comprehensive understanding of student development theory, current best practices in Campus Recreation and Student Affairs, educational programming related to student
