communication skills, the ability to create transformative development opportunities, and support the aspirations for the School with innovative ideas for growth and visibility. This is a full-time 12 month administrative role as Associate Dean reporting directly to the Dean of Architecture and Design.

Responsibilities:

- Assist the Dean in managing academic related activities and affairs to ensure effective and competent leadership and assume responsibilities of the Dean as delegated.
- Develop programs with the Dean, addressing future goals and strategies, curriculum design and new pedagogies.
- Help the Dean to build and support a talented teaching and research community to realize full potentials.
- Supervise Chairs' and Directors' operations, and work collegially with faculty, staff, students and administrators promoting their development and excellence.
- Provide leadership and support to the graduate and undergraduate programs and curricula.
- Coordinate revisions and implementation of the School's Strategic Plan in support of the School's new vision and in alignment with the mission of the Institution.
- Assist with external funding and grants, entrepreneurial proposals, partnerships and development initiatives.
- Oversee student recruitment, retention, advising and placement.
- Secure curricula, NAAB and CIDA Student Performance Criteria implementation and assessment processes with the Dean, Chairs and Directors. Coordinate SoAD policies, tenure and promotion, and accreditation processes.
- Assist with Public Relations, representing the School's leadership together with the Dean; attending events with (or in substitution of) the Dean; assist with Alumni Relations with a variety of constituencies.
- Promote increased diversity, advocating student success, interdisciplinary and service learning experiences.
- Promote 'best practices' and academic integrity; putting people first.
- Support and facilitate a positive, functional, cordial and effective working environment based on cooperation, trust and respect.

MINIMUM REQUIRED QUALIFICATIONS:

- A professional degree in Architecture (B.Arch or M.Arch or international equivalent) plus professional license (license in progress will be accepted).
- Evidence of academic, teaching, research, professional/creative activities, achievements with a
