record of success leading teams and growing enrollment to serve as its Vice President for Enrollment and Marketing (VPEM). The highly collaborative and engaging leader demonstrates a proven track record of success motivating teams towards a common goal.

Utilizing current trends, best practices and previous experience, the successful candidate employs a data-driven approach to target and grow a student body well-suited for Presentation College. This dynamic leader is comfortable prioritizing and managing multiple operations including Financial Aid, Enrollment, Marketing/Communications, Admissions/Enrollment Management operations and Retention.

The VPEM leads the conception, implementation, evaluation, and continual refinement of Presentation College's marketing and communications efforts. They serve as the principal steward of PC's public image by overseeing all media relations and communications with internal and external constituents. S/he will serve as the chief advisor to the President and others within PC's leadership team on communications strategies and opportunities. This leadership and vision will help PC develop and implement communications plans that utilize multiple platforms. Furthermore, the VPEM is responsible for developing, implementing, and overseeing the execution of an annual comprehensive enrollment plan with appropriate goals including strategies to recruit and enroll students for the College's traditional and online undergraduate, nontraditional undergraduate, and graduate programs.

The VPEM reports to the president and serves on the president's leadership team, working closely and collaborating with other senior leaders and the board of trustees to provide strategic direction on enrollment and marketing/public relations matters. The VPEM also collaborates with academic deans, sharing enrollment projections and determining short and long-term targets for tuition revenue and headcount.

Responsibilities

Managing an operating budget of \$1.5 million, financial aid awarding of "funded and unfunded scholarships and grants" of \$4,549,344 and 16 staff members in admissions, financial aid and enrollment

Ensuring the initial and ongoing development and training of all staff in the division

Building, leading and motivating the appropriate teams to ensure that enrollment goals are met

Developing, implementing and leading an integrated marketing and communication plan in partnership with Presentation's leadership team

Collaborating with deans, program directors, and others to develop annual marketing plans to achieve academic program department enrollment goals

Developing and implementing a comprehensive strategic enrollment management plan. Creating and leading the strategic direction for the admissions and financial aid offices, developing long- and short-term strategies that ensure a diverse student population's access to and success at the University, while supporting the enrollment goals of the University

Analyzing data related to strategic directions; proactively assess the effectiveness of division activities in response to the PC's mission and objectives; and provide leadership on policies, procedures, and regulations relevant to enrollment management best practices

Serving as the primary analytical resource for units throughout the institution by producing routine, descriptive statistics comparing and contrasting enrollment trends over time, and developing predictive models for traditional and non-traditional populations across all campuses

Providing students and their families the financial awareness and education necessary to successfully finance their educational pursuits at Presentation College

Serve as the principal steward of Presentation College's public image by overseeing all media relations and communications with internal and external constituents

Serve as the chief advisor to the President and others within the college's leadership team on communications strategies and opportunities. This leadership and vision will help Presentation College develop and implement communications plans that utilize multiple platforms

Required Qualifications

A Master's degree

Minimum five years progressive experience and leadership in enrollment management

Proven success in setting and meeting both enrollment and marketing operation goals

Experience with budget oversight

Experience with financial aid and leveraging

Proven leadership experience and team development

Strong business acumen and demonstrated ability to lead

Current in knowledge of best practices and trends in enrollment

A proven track record of data informed decision making

Demonstrated ability with enrollment management systems and web-based recruitment initiatives is essential, as is a sense of humor and a strong work ethic

Current understanding of branding and savvy marketing strategies specifically applicable to student recruitment in the digital market place

Dedication to Presentation College's strategic direction which ensures enrollment stability and growth momentum while increasing proficiency, productivity and outcomes in recruitment and marketing.

A high level of understanding of website design/functionality, digital analytics, and familiarity with a social media suite, strong connotative skills and the ability to analyze issues critically

Strong collaborator with excellent communication skills and outstanding integrity

Must believe in, and persuasively articulate the mission and values of Presentation College

About Presentation College:

Founded in 1951 in Aberdeen, South Dakota, Presentation College (PC) focuses on career- directed undergraduate and graduate programs of study in three academic divisions: Health and Natural Science, Nursing, and Social Science and Humanities. Students are part of a diversified higher education experience with emphasis on critical thinking, analytical reasoning, problem-solving, and effective communication skills. Presentation College is a faith-based institution in the Catholic tradition.

Presentation College has been continuously accredited by the Higher Learning Commission of the North Central Association of Colleges and School since 1971. Academic discipline-specific national accreditations include: Commission on Collegiate Nursing Education, Commission on Accreditation of Allied Health Education Programs, Commission on Accreditation of Athletic Training Education, International Assembly for Collegiate Business Education, and Joint Review Committee on Education in Radiologic Technology.

The College has undergone significant improvements since the arrival of Dr. Margaret Huber in 2012. The most recent, in 2017, a new \$1.5 million health professions simulation center. This facility revolutionizes how PC healthcare majors learn to provide high quality patient care.

Living in Aberdeen, South Dakota:

The third largest city in South Dakota, Aberdeen offers undeniable beauty in a town small enough to know your neighbors but large enough to offer all the amenities and resources of a small city.

Aberdeen has numerous restaurants, shopping, amusement parks and theaters. Miles of outdoor trails, parks, golf courses and sports complexes provide everything for the outdoor enthusiast. Considered a college town, Aberdeen is home to Presentation College and Northern State University.

The area offers a friendly Midwestern feel with the added benefits of low unemployment and crime rates, no state income tax and a median home price of \$150,000. The area boasts 199 sunny days per year with highs in July of 84 and lows in January of 2. Within the city is the airport making travel extremely convenient.
