and carrying out the leadership and administration of all matters relating to human resources and labor relations. These include labor relations with an emphasis on collective bargaining agreements and negotiations; employee relations; faculty and staff recruitment and hiring, performance appraisals, compensation, employee training; time and attendance, benefit administration, and human resource information systems. The position oversees 26 full and part time staff.

The ideal candidate is an experienced human resources executive with a broad background in public sector/higher education human resources, with specific experience in labor relations and change management. This experienced leader will bring extensive managerial, interpersonal, creative problem solving, and communication skills along with a strong customer service orientation. The ideal candidate is a strategic thinker skilled in planning, staff and workforce development, business process reengineering, systems implementation and who is comfortable working with a broad range of college administrators and management staff in a diverse, unionized environment. The College wishes to attract a seasoned administrator who brings a demonstrated history of innovation and resourcefulness, coupled with a commitment to results and accountability.

Because of the diverse nature of the FIT campus constituency, this position requires a good listener, willing to work across channels to provide consistent direction and leadership enabling the development and growth of a cohesive, high functioning team. The new Vice President is an excellent communicator with a respect and understanding of the process and able to convey and disseminate information within all areas of the institution. They are transparent, diplomatic and easily able to foster strong, working relationships.

This position offers a generous compensation and benefits package.

Required:

A Master's degree in Human Resource Management or Business/Public Administration or a terminal degree in a related field

10 years related experience

Labor relations experience in the higher education or government sector

Current on latest trends and best practices

Open, approachable, fair and equitable managerial style

Experience working with Banner or other human resource/human capital software packages or information systems used in a public sector or higher education environment

Preferred:

Public higher education experience preferred

Experience working in a large and complex organization
