Position Summary

The Assistant Director of Graduate Career and Professional Development will support the programs and initiatives of the Villanova School of Business Graduate and Executive Programs Office. The Assistant Director will provide career and professional development services for VSB graduate students.

This position will work closely with the Associate Director on the development and identification of resources for graduate students to enhance their professional brand and marketability; and will leverage existing campus resources to aid students in their job search activities. The Assistant Director will develop content and present professional development related programs, workshops, and webinars.

Villanova is a Catholic university sponsored by the Augustinian order. Diversity and inclusion have been and will continue to be an integral component of Villanova University's mission. The University is an Equal Opportunity/Affirmative Action employer and seeks candidates who understand, respect and can contribute to the University's mission and values.

Duties and Responsibilities

Career coaching including resume development, effective job search strategies, and negotiation techniques.

Professional development/programming including the delivery of live and virtual workshops and seminars on a variety of professional development and career topics.

Manage and grow a graduate mentoring program including implementing strategies to continually recruit alumni mentors that represent appropriate industries, professions, geographic markets, and class years.

Partner with the Villanova Career Center to source job leads to the university online portal and alert appropriate student populations to new postings.

Perform additional duties and assist with special projects as needed.

Minimum Qualifications

Bachelors degree required. Experience in corporate recruiting, job placement and/or career counseling/coaching required.

Preferred Qualifications

Bachelors degree in counseling, higher education, public affairs, public policy, or other relevant discipline preferred; graduate degree preferred.
