Primary focus is compliance and service delivery to students as well as the supervision and guidance of that process. This process incorporates faculty and staff interactions regarding service delivery details. Significant focus on legal compliance for the University.

Essential Duties and Responsibilities

- Provide leadership in the development and implementation of an inclusively designed, educational environment resulting in students with disabilities gaining access to curricular and co-curricular environments.
- Provide administrative direction and supervision of DRC staff, assuring that appropriate university resources are provided to students with disabilities resulting in federal and state mandates being fulfilled by the University.
- Collaborates with University constituents in an effort to further the adoption of universal/inclusive design principles across campus, while encouraging the establishment of strategies that facilitate the incorporation of these principles in a transparent and sustainable manner.
