Job Description	

This is an internal posting for employees of Auburn University or Auburn University at Montgomery.

The Director, Laboratory and Research Safety will promote a campus-wide culture of safety and foster an atmosphere in which safety and compliance with applicable safety laws, regulations and guidelines are integral to conducting research. This position will provide leadership in the oversight and administration of laboratory and research safety programs, directives, and policies involving chemical, biological, radiological, and physical safety in diverse settings including laboratories, animal research facilities, field research sites, and outlying experimental stations.

Why Should **YOU** Choose Auburn University?

- **Auburn University was named a “Best in Alabama” employer by Forbes!** Our employee longevity speaks for itself, with employees staying an average of ten years.
