Job Description

As a **Unit Finance Manager**, you will be responsible for overseeing and managing the financial operations of the **Offices of Medical Education (OME)**. This is an exciting opportunity to join the Jacobs School of Medicine and Biomedical Sciences in a newly created role to support the Offices of Medical Education. In this role, you will play a key role in the development of financial strategies and creation of finance/budget processes and procedures for the unit.

In this position, you will:

- Oversee financial controls to assure that financial and budgetary information for OME is in compliance with accounting/budgetary concepts and University policy and procedure;
- Oversee medical student scholarships and awards in coordination with medical students admissions and the medical school business office;

- Manage budgets for OME; consult with senior level managers regarding issues and concerns, especially those impacting administrative area operations;
- Provide financial advice and counsel to the budget administrators for OME; prepare reports for review and analysis;
- Approve financial documents and transactions for OME, as delegated, including human resources, payroll, and expenditure (including purchasing card and travel);
- Review for compliance with policy and procedure as well as specific regulations and/or guidelines on restricted funds.

Outstanding Benefits Package
