Job Description

Auburn Advancement, the College of Agriculture, and Alabama Cooperative Extension System are excited to begin the search for a Development Officer to join our development team!The ideal candidate is self-motivated, metrics driven, and possesses an innate ability to get things done. As a Development Professional, you will have the opportunity to travel extensively and conduct face-to-face visits with alumni and supporters. This position helps connect these individuals back to the College, Alabama Extension, and the University in a philanthropic way that is meaningful to them, while making an everlasting impact at Auburn University. This position is responsible for the qualification, cultivation, solicitation, and stewardship of major gift prospects. The individual should be a team player who can manage their own job duties and responsibilities, but is willing to assist with special projects, initiatives, events, and other duties as necessary.

We have an opportunity to fill this position at any level. In pursuit of being the best development shop and acquiring top talent, position title and salary will be commensurate with experience. Visit our

website for more information.

It is an exciting time to join Auburn Advancement which includes Operations and Strategy, Talent and Culture, Engagement, Philanthropy, and Communications. Led by Senior Vice President Robert Wellbaum, an energetic, experienced, and respected advancement leader, this newly formed organization has a vision to lead and shape the future of advancement. It embraces purpose, collaboration, innovation, and production as core values. Auburn Advancement is committed to a culture that fosters mutual respect, inclusion, accountability, and professional development. It offers a modern work environment where employees are trusted to realize their full potential and earn their pinnacle career experience.

In partnership with Auburn Advancement, the Alabama Cooperative Extension System (ACES) serves as the vital link between Auburn University, Alabama A&M University, and communities across all 67 counties. Through science-based educational initiatives, ACES empowers individuals, families, and communities to enhance their quality of life and economic prosperity. ACES takes the university to the people. As educators, partnering in every county, bringing practical ways to better our homes, farms, people, and communities. The research extends knowledge and improves lives.

About Auburn: At Auburn, our work changes lives. Ranked by U.S. News and World Report as a premier public institution, Auburn University is dedicated to shaping the future of the people of Alabama, the nation, and the world through forward-thinking education, life-enhancing research, scholarship and selfless service. Auburn is nationally recognized for its commitment to academic excellence, community outreach, positive work environment, student engagement, and thriving community.

Why employees choose Auburn: Auburn University was named by Forbes Magazine as one of the state of Alabama's best employers, with employees staying an average of ten years. Employees enjoy competitive benefits that include top-notch health insurance, generous retirement plans, tuition assistance for employees and dependents, flexible spending accounts and more!

Learn more about Auburn's impact, generous employee benefits, and thriving community by visiting aub.ie/working-at-auburn.

Our Commitment: Auburn University is committed to a diverse and inclusive campus environment. Visit www.auburn.edu/inclusion to learn more about our commitment to expanding equity and inclusion for all.
