<b>Job Description</b>	

### Position Summary

Are you a visionary leader with a passion for driving technological innovation and efficiency? The University at Buffalo's [Division of University Advancement](#) is seeking a **Senior Director of Application Services** to provide technical leadership and strategic guidance in maintaining, implementing, and upgrading applications. Reporting to the Assistant Vice President for Advancement Services, you will play a pivotal role in the design and development of new applications and interfaces, including a state-of-the-art CRM system expected to go live within the next 9-12 months. This is an exciting opportunity to lead a dynamic team and make a significant impact on the university's advancement operations.

**In addition, the Senior Director:**

- Leads all activities related to the development and management of applications that enable University Advancement's business operations.
- Oversees and manages installations, configurations, hosting, troubleshooting, technical testing, upgrades, and integrations.
- Partners with staff who are the principal subject matter experts to promote utilization and adoption of products.
- Drives efficiency and automation of efforts within and between systems, fostering innovation.
- Optimizes connectivity and automation between disparate applications and systems as well as with UB's data infrastructure.

**Outstanding Benefits Package**

Working at UB comes with benefits that exceed salary alone. There are personal rewards including comprehensive health and retirement plan options. We also focus on creating and sustaining a healthy mix of work, personal and academic pursuit – all in an effort to support your work-life effectiveness. Visit our benefits website to learn about our [benefit packages](#).

**Division of University Advancement**

At the University at Buffalo, our Division of University Advancement plays a pivotal role in advancing our mission. With a historic \$1 Billion Boldly Buffalo campaign recently concluded in June 2024, where more than 80,000 alumni and donors generously contributed, we're on the cusp of greatness. Our goal? To propel UB into the top 25 of national public research universities within the next decade. As part of our team, you'll build strong connections with alumni and donors worldwide, shaping the future of our institution. Join us and be part of a team that changes the world!

**About The University at Buffalo**

The University at Buffalo (UB) is one of America's leading public research universities and a flagship of the State University of New York system, recognized for our excellence and our impact. UB is a premier, research-intensive public university dedicated to academic excellence. Our research, creative activity and people positively impact the world. Like the city we call home, UB is distinguished by a culture of resilient optimism, resourceful thinking and pragmatic dreaming that enables us to reach others every day.
