The Deputy Director/Assistant Director will lead the Marketing & Insights (M&I) team for SIT*LEARN*, the Continuing Education and Training (CET) division of Singapore Institute of Technology.

### Responsibilities:

#### Strategic Leadership, Vision and Results Orientation

- Drive revenue for all open enrolment and quality lead generation for B2B portfolio.
- Develop and execute digital marketing strategies to enhance brand awareness, engagement, and enrolment for all CET portfolios
- Lead MarTech and data strategy, ensuring integration and optimisation of marketing technology and business intelligence tools.
- Collaborate with SIT leadership to align marketing and data-driven initiatives with University goals.
- Foster innovation and continuous improvement within the division.

#### Product Marketing and Integrated Marketing Strategy

- Oversee the planning, development, and execution of new programme launches and marketing/advertising campaigns across web, social media, email, events and other channels.
- Utilise data-driven insights to optimise campaigns and improve ROI.
- Manage SIT's digital presence for SIT*LEARN*, ensuring a user-centric and engaging online experience.
- Collaborate with corporate communications and cross-functional teams to develop compelling and relevant content with consistent messaging across all channels.

#### Marketing Technology Management

- Implement and manage MarTech platforms, including Salesforce Marketing Cloud and Education Cloud to support marketing campaigns and operations.
- Lead the marketing team and website/UX vendors to maintain and enhance SIT*LEARN*'s website on Drupal, implementing best practices for SEO, accessibility, and mobile responsiveness.
- Stay updated on MarTech trends and innovations, recommending and implementing new technologies to enhance marketing efforts.

#### Data Analysis and Insights

- Develop KPIs to measure and monitor marketing effectiveness and business performance, that

would inform strategy and decision-making.

- Manage a team responsible for insights, using tools like Power BI, Salesforce and CRM Analytics (Einstein Analytics).
- Provide regular reports and insights to SIT senior leadership.
- Ensure compliance with data governance and protection standards/regulations.
- Promote a data-driven culture across the University.

### **Divisional and Organisational Wide Leadership**

- Manage and mentor a team of marketing and data professionals.
- Foster a collaborative and high-performing team environment within and across other Divisions, Centres and Academic Group.
- Provide ongoing training and professional development opportunities to team members.

### **Stakeholder Collaboration**

- Collaborate with internal stakeholders, including corporate communications, admissions, office of student experience, academic staff and IT, to align marketing and data efforts with University initiatives.
- Work with the digital transformation office on initiatives to enhance the overall digital experience.
- Build and maintain relationships with external partners and vendors.

### **Requirements:**

- Bachelor's degree in Marketing, Communications, Information Technology, or a related discipline.
- 9 - 10 years of experience, with strong experience in MarTech leadership.
- Proven track record in launching new products and developing/executing successful marketing campaigns.
- Expertise in SEO, SEM, social media advertising, email marketing, and content marketing.
- Proficient with marketing technology platforms such as Salesforce, Salesforce Marketing Cloud, Google Analytics, tag management systems and Microsoft Dynamics 365.
- Experience in managing content management system (CMS) websites.
- Skilled in databases and data visualisation techniques and tools, preferably Power BI, Salesforce, Microsoft Dataverse, Power Query, Excel and CRM Analytics.
- Excellent analytical skills to interpret data and derive insights.
- Strong leadership and team management skills.
