Job Description	

Position Summary

Under direction of the Assistant Dean UBO, the **Director for Resource Management** is responsible for all the financial functions administered by the [School of Public Health and Health Professions \(SPHHP\)](#), as well as oversight of the activities performed by those departments and organizations which it serves.

While assigned to the Dean's Office, the Director will work as a high level liaison in partnership with the School's five departments in order to ensure shared understanding, while providing guidance and support. The Director supports the UBO and will act on the UBO's behalf as assigned. The Director will supervise other members of the School's Office of Resource Management.

Responsibilities include, but are not limited to:

- developing, monitoring, and managing financial accounts;
- overseeing efficient payable, receivable, and payroll functions with proper internal controls;
- reporting all financial activities through unit budgets and School-wide spending plans;
- measuring and reporting variance.

This position will also work with the Assistant Director of Human Resource and Business Operations, overseeing aspects and functions within personnel management, including job posting, searches, and appointments.

The Director will assist the Dean and UBO with the development of operating budget for resource planning, as well as the preparation of other materials for both unit level and School-wide resource analysis and reporting. The Director will develop and lead a Schoolwide, annual budgeting process. The Director will be responsible for setting up systems that result in clear reporting, supportive analysis, and responsible management, with an overall focus on compliance.

Outstanding Benefits Package

Working at UB comes with benefits that exceed salary alone. There are personal rewards including comprehensive health and retirement plan options. We also focus on creating and sustaining a healthy mix of work, personal and academic pursuit – all in an effort to support your work-life effectiveness. About SPHHP

The [School of Public Health and Health Professions](#) (SPHHP) at UB offers programs at every degree level and is the home to five departments; biostatistics, community health and health behavior, epidemiology and environmental health, exercise and nutrition sciences, and rehabilitation science. It is one of only a few schools across the country that includes health-related professions as an integral component of the public health educational and research system. Faculty and students engage in research and community activities designed to improve the health of populations, communities and individuals. The SPHHP is located on the South Campus of University at Buffalo.

About The University at Buffalo

The University at Buffalo (UB) #ubuffalo is one of America's leading public research universities and a flagship of the State University of New York system, recognized for our excellence and our impact. UB is a premier, research-intensive public university dedicated to academic excellence. Our research, creative activity and people positively impact the world. Like the city we call home, UB is distinguished by a culture of resilient optimism, resourceful thinking and pragmatic dreaming that enables us to reach others every day.
