Essential Functions

Creates, implements, and measures the success of a comprehensive communications, marketing, and media production program that will enhance McCrary's image and position within the national cyber policy space. Facilitates internal and external communications, as well as all McCrary communications, marketing, and media production activities, regarding McCrary product production, media, media relations, and client targeting. This includes the leadership and management of the McCrary Institute website, aggregation and distribution of the cyber daily brief, and all other McCrary media products.

Oversees the achievement of communications, marketing, and media production unit goals and objectives. Ensures that evaluation systems are in place to track goals and report progress to the System Administrative Team. Develops, implements, and monitors systems and procedures ensuring efficient operation of the communication, marketing, and media production function. Ensures the developments in the fields of communications, marketing, and media production, as well as McCrary and other national cyber policy & research institutes, and guides McCrary to operate with initiative and innovation.

Guides the Executive Producer and Media Production team to develop and maintain a strategic perspective, based on marketplace and constituent needs, in organizational direction, programming and services, and decision-making. Serves on the McCrary Leadership Team to ensure vision, mission, and values enhance the relevance and quality of programs, products, and services offered to the public.

Designs, supports, and builds a unit culture that effectively enables all McCrary staff to: a) transmit McCrary's vision, mission, and values and direction; b) engages people in the meaning of the McCrary Institute and Auburn University; c) respects and uses the skills, expertise, experience and insights of people; d) provides direction and resources, removing barriers and helping develop people's skills; articulating expectations and clarifying roles and relationships; e) communicates, which includes helping people transform information into knowledge and learning; f) encourages people to question organizational assumptions and ask strategic questions; ensure quality decision-making; g) anticipates conflicts and facilitate resolution; h) engages people in processes, as well as tasks; i) encourages people to use their power, practice their authority, and accept their responsibility; j) models behavior; and k) coaches people to success.

Leads the editorial direction, design, production, and distribution of all McCrary policy, research and educational resources. Coordinates the media interests in all relevant McCrary Institute activities and ensures regular contact with target media and relevant stakeholders' response to media requests. Acts as McCrary's representative with the media and coordinates the appearance of all McCrary print and
