Job Description	

Job Description

As the second in command of the Transportation and Parking Services (TPS) department, this position serves an essential leadership role. In conjunction with the Associate Director for Operations, assists the Director of TPS, providing a comprehensive program of high quality Transportation and Parking services to the University. Serves as a back-up when the Director of Transportation and Parking Services is unavailable. The position is classified as essential personnel and leads all critical functions within the department. The position ensures that all TPS operations fully support the academic and community engagement missions of ODU. The position is responsible for establishing and tracking the department annual budget based upon planned revenues and anticipated expenses, and manages all TPS business analysis and data processes. Leads all customer service, information technology (data systems and software), and marketing and communications efforts. Manages review of parking citation appeals process including notification of results, and proper documentation within parking
