### Job Summary

The Assistant Registrar for Catalog and Curriculum Management is responsible for the production and integrity of the undergraduate and graduate University catalogs, the effective review, maintenance, and implementation of new, changing, and existing curriculum, and the enforcement of university and department policies regarding catalog services, curriculum management, and degree audit functions. This position will provide leadership oversight for curriculum coordinators and specialists who are responsible for maintaining and scribing for our degree audit system. This position is part of the Academic Services team that specializes in exceptional customer service for students, faculty, and staff, while protecting the integrity and privacy of student and academic records.
