and staff. The Dean fosters a dynamic learning environment that promotes innovation, research, and community engagement, aligning the College's mission with the broader institutional goals.

Supervision:

The Dean reports directly to the Vice Chancellor for Academic Affairs (VCAA) and is responsible for:

- Ensuring the effective discharge of assigned duties.
- Overseeing the academic, financial, and administrative management of the College.
- Cultivating constructive relationships with internal and external stakeholders.
- Promoting an environment of excellence in teaching, research, and professional service.

Duties and Responsibilities:

The Dean's primary responsibilities include:

Strategic Leadership:

- Develop and articulate a clear strategic vision for the College, ensuring alignment with the institution's mission and goals.
- Lead the development, enhancement, and continuous improvement of academic programs, curricula, and study plans.
- Actively engage faculty, staff, and students in the strategic planning and decision-making processes.

Academic Excellence:

- Ensure the continuous assessment and enhancement of academic programs through the development of learning objectives, innovative strategies, and feedback mechanisms.
- Lead efforts to secure and maintain national and international accreditations relevant to medical education and healthcare training.
- Foster a culture of academic integrity, innovation, and excellence in teaching, research, and service.

Faculty and Staff Development:

- Provide recommendations on the recruitment, promotion, and retention of faculty and staff to the

Vice Chancellor for Academic Affairs.

- Promote professional development opportunities for faculty and staff to enhance their skills and expertise.
- Encourage collaborative and interdisciplinary research among faculty members.

Resource Management:

- Develop and manage the College's budget and allocate resources effectively to achieve strategic goals.
- Oversee the acquisition and maintenance of facilities, equipment, and technology to support teaching, research, and clinical training.

External Relations and Outreach:

- Build and maintain strong partnerships with healthcare institutions, government agencies, and educational institutions locally and globally.
- Facilitate funding and sponsorship opportunities to support research, clinical training, and community healthcare initiatives.
- Represent the College in professional forums, conferences, and community events to enhance its reputation and visibility.

Governance and Collaboration:

- Actively participate in the Council for Academic Affairs (CfAA) meetings and contribute to institutional initiatives.
- Collaborate with other academic and administrative units to support interdisciplinary programs and initiatives.

Qualifications:

- A doctorate (MD) or equivalent, along with a PhD or Doctorate in a relevant field from a reputable and accredited institution.
- A distinguished academic record, including appointment at the rank of Professor.
- Demonstrated administrative leadership and managerial experience (preferably as a Dean) in a reputable and accredited medical college.
- Proven experience in budget planning, personnel management, and resource allocation.
- Established track record in clinical outreach, fostering partnerships, and securing research

funding.

- Extensive clinical experience with renown Board Certification is highly preferred.

Key Attributes:

- Visionary leadership with the ability to inspire and motivate faculty, staff, and students.
- Strong communication and interpersonal skills.
- Commitment to fostering diversity, equity, and inclusion within the College.
- Strategic thinker with a results-oriented approach to problem-solving.
- Passionate advocate for academic excellence, research, healthcare innovation and fundraising.
