- Set clear revenue projections, establish ticket sales goals, and create strategies to ensure the achievement of those goals, regularly analyzing performance to adjust tactics.
- Identify and execute new revenue-generating opportunities through ticket sales, fan engagement, and premium seating experiences.
- Lead and support outbound sales efforts, including group ticketing, season ticket renewals, and mini-plan packages.
- Supervise ticket office operations, including staff management, customer service standards, and gameday operations.
- Collaborate with the marketing and communications teams to align ticket promotions with broader department initiatives.
- Ensure ticketing strategies align with the university's overall mission and goals, fostering greater integration between athletics and the institution.
- Implement ticket pricing models, seating maps, and demand-based pricing strategies to optimize revenue.
- Partner with NIL team to ensure athletes' needs are met with regard to ticketing for personal appearances and events.
