**Education:**

A Master's degree in Higher Education Administration, Enrollment Management, Business Administration, or a related field.

**Experience:**

- \* Minimum of 5 years of progressive leadership experience in enrollment management, ideally with a focus on health professions or graduate-level education.
- \* Demonstrated success in developing and executing enrollment strategies that align with institutional goals and increase access in health professions programs.
- \* Strong knowledge of data-driven enrollment management practices, recruitment, and student retention strategies.

**Skills and Abilities:**

- \* Proven ability to lead and motivate a team, driving results in a fast-paced and evolving environment.
- \* Excellent communication and interpersonal skills, with the ability to build effective relationships with faculty, staff, prospective students, and external partners.
- \* Strong analytical skills and proficiency in enrollment management systems, CRM tools, and data analysis.
