Posting Detail Information

Position Summary

The [School of Engineering and Applied Sciences \(SEAS\)](#), Office of the Dean is seeking a highly motivated and experienced **Assistant Dean for Business and Financial Operations**. Reporting to the Unit Business Officer, the incumbent will oversee the day-to-day financial operations of the \$80M+ operating budget, while providing leadership, strategic guidance, and support to the 9 academic departments, 10 administrative areas, and various Institutes, Centers, and labs consisting of 400+ faculty and staff serving over 7,900 graduate and undergraduate students.

Responsibilities include:

1. Department Leadership & Operations

- Provide strategic guidance to Unit Business Officer, Dean, and relevant Unit leadership on all Business Operation related items.
- Provide guidance, information, and support to Unit faculty/staff related to Business Operations processes, procedures, requirements, etc.
- Develop and implement procedures and practices to support the overall financial operations of the Unit.
- Organize and conduct regular meetings with appropriate Unit staff to disseminate relevant information including regular communication and collaboration with Departmental Directors of Administration.
- Participate in relevant Unit leadership meetings as required.

2. Financial Management

- Manage central transactional processes for Unit including, but not limited to, fund management, account creation, deletion, monitoring and maintenance, budget management, procurement, payables/receivables, revenue deposits & transfers, travel & other expenditure reimbursements, fee management, student appointments, tuition scholarship & stipend processing, startup fund management, transaction management, credit card management, and reconciliation of accounts across all funding sources.

3. Financial Reporting

- Create various financial reports and presentations as needed to illustrate financial position of Unit/Departments/Centers.

- Utilize financial analysis and budget forecasting to shift resources appropriately and offer guidance to Unit Business Officer and Dean.
- Coordinate, track, and fulfill the Annual Resource Planning Process financial investments and submissions for Unit in conjunction with the Unit Business Officer and Dean.
- Coordinate ASEE, U.S. News and other Financial Reporting for Unit in conjunction with Unit Business Officer and Director of Assessment & Accreditation.
- Provide monthly budget reports to departmental units.
- Fulfill various University & SUNY requested expenditure reporting requirements including, but not limited to, fee expenditures and SUNY EIP fund expenditures

4. Staff Management

- Motivate, guide, direct, supervise, support and evaluate 3 full-time employees.

5. Data Management

- Create, maintain, and manage relevant Financial data for the Unit.

6. Policy Management & Compliance

- Assist in developing, implementing, and regularly reviewing applicable departmental policies related to overall business operations.
- Ensure that all IRS, State, UBF and University guidelines are followed in the handling of Unit funds.
- Assist with routine internal audit reviews and requisite actions related to any findings.
- Operate Department in accordance with all applicable Unit, University, State, and Federal regulations.

7. Financial System Management

- Assist with necessary management of University Financial System including departmental access management, entity/hierarchy structure and account associations, account management, budget revisions, and related items.

8. Budget Management

- Assist with the development and monitoring of comprehensive Unit wide budget.
- Responsible for creating the annual Unit budget projection and related unit budget templates.
- Monitor approved budgets for variance from plan and address with unit and report to supervisor
