academic excellence and innovation. S/he will be instrumental in advancing the University's mission to deliver outstanding technology-enhanced teaching and learning experiences.

### Qualifications and Experience Required

- A relevant doctorate (NQF Level 10) with a distinguished record of academic achievement and recognition excellence.
- An established academic standing as an Associate Professor / Professor will be an advantage.
- At least ten (10) years of experience in higher education, including a minimum of five (5) years in a senior management position.
- A strong and proven track record in teaching, research, curriculum development, and community engagement.
- A collaborative leadership style that fosters collegiality, accountability, and a culture of continuous improvement.
- Proven ability to engage effectively with internal and external stakeholders, including industry partners and government entities.
- Proven ability to lead institutional change and adapt to emerging digital technologies, including artificial intelligence.
- Demonstrated commitment to academic excellence, student success, and inclusive, technology-driven pedagogy.

### Key Responsibilities

- Provide strategic leadership and educational oversight in the areas of teaching, learning, and technology.
- Oversee the effective administration and coordination of Faculties, Academic Development and Support units, and Satellite Campuses.
- Develop and implement a comprehensive strategic and regulatory framework to achieve the teaching and learning objectives outlined in the NUST Strategic Plan.
- Lead academic governance and drive innovation in teaching methodologies, curriculum design, and learning enhancement initiatives.
- Oversee the integration of innovative educational technologies and eLearning strategies, ensuring alignment with the Fourth Industrial Revolution (4IR) imperatives and Sustainable Development Goals (SDGs).
- Lead the accreditation processes for academic programmes, ensuring adherence to national and international standards.
- Drive the academic strategic plan, by strengthening library and information services, supporting the continuous professional development of academic staff.

- Foster cross-functional collaboration to enhance institutional coherence, communication, and alignment with strategic objectives.
- Serve as Chair for relevant sub-committees of Council and Senate, contributing to effective governance and academic excellence.

### Presentation Requirement

Shortlisted candidates will be invited to deliver a public presentation, thereby providing a platform to demonstrate their vision, readiness, and suitability for the esteemed role of Deputy Vice-Chancellor: Teaching, Learning and Technology.

### Terms of Employment

• **Term of Office:** A five (5)-year performance based contract.

• **Employee Value proposition:**

NUST offers a competitive remuneration package, opportunities for global engagement, and a supportive environment dedicated to academic excellence and innovation. The University is committed to fostering work-life balance, professional development, and leadership growth.

• **Commencement Date:**

To be determined by mutual agreement.

### Applications must include

- A cover letter detailing how the applicant meets the stated requirements.
- A comprehensive curriculum vitae (CV).
- A statement outlining the applicant's vision for teaching, learning and technology at NUST.
- Certified copies of all qualifications and certificates.
- Details of current position, remuneration, and citizenship.
- Full names and full contact details of at least three (3) referees.
