Job Description

Job Summary

The Director of Educational Accessibility is responsible for leading and managing the institution's efforts to ensure equal access to educational opportunities for all students, including those with disabilities. This role involves strategic planning, team management, budgeting, and ensuring compliance with relevant laws and regulations, including Section 504 of the Rehabilitation Act of 1973 and the Americans with Disabilities Act of 1990. The Director trains the university community about disability experience and ensures that disability identity is included in all campus initiatives related to students.
