Essential Functions

- Coordinates athletic facility upkeep by coordinating equipment maintenance, managing inventory, and ensuring timely resolution of facility issues in accordance with regulations.
- Conducts routine inspections of assigned athletic facility to address safety, functionality, and appearance concerns, upholding readiness for events and practices.
- Coordinates operations and logistics of assigned Auburn University athletic facilities, ensuring functionality, safety, compliance, and exceptional service to stakeholders.
- Manages scheduling of programs, events, and practices by collaborating with internal and external partners for seamless execution and stakeholder support.
- Supports coaches and student-athletes by providing optimal facility conditions for competitive performance.
- Serves as a key point of contact and liaison for assigned facilities, coordinating vendors, service providers, and project stakeholders.
- Monitors maintenance schedules, procurement of equipment/services, and operational standards to promote cost-effectiveness and high performance.
- Assists in coordinating event and maintenance personnel, helping set timelines, defining scopes of work, and communicating expectations for responsibilities for the assigned facility.
- Supports the Director of Athletic Facilities in developing and implementing maintenance plans, supporting facility upgrades, and addressing last-minute demands.
- Provides departmental support and assists with operational needs at other facilities as required.
- Complies with all applicable National Collegiate Athletic Association (NCAA) and Southeastern Conference (SEC) regulations in the performance of job duties.
- Performs other duties as assigned.

Nights and weekends are required.

Why Work at Auburn?

- **Life-Changing Impact:** Our work changes lives through research, instruction, and outreach, making a lasting impact on our students, our communities, and the world.
- **Culture of Excellence:** We are committed to leveraging our strengths, resources, collaboration, and innovation as a top employer in higher education.
