knowledge derived from research to the people of the state. The AgCenter is headquartered in Baton Rouge and has 12 academic departments and five regions which are made up of 15 branch research stations and an extension office in each parish. More information can be found at www.lsuagcenter.com.

Position Description:The Director of Facility Operations position's primary purpose is Maintaining the safety, operations, appearance and shop for the 23,000 sq ft facility are the main responsibilities for this position. This position reports to the Professor and Director. Specific duties are as follows:

Keeping a staff of 40, including 30 student workers, aware of safety around the aquatic environment equipment, cryogenic freezing equipment and the shop equipment. This would include training and compliance with university safety regulations. Monitoring the 75-year-old facility for any safety issues.

Maintaining operational needs through staffing, maintenance schedules and contractors. Managing special projects involving facility planning and contractors.

Maintaining clean appearance of interior and exterior of the facility including the direction of student workers and collaboration with staff members.

Maintaining a clean, safe shop with well-maintained equipment, tools and supplies.

Performs other duties as assigned.

Qualification Requirements:Baccalaureate degree in a related field. Experience in the public sector and/or a university setting is desirable. Must have excellent interpersonal, administrative, and organizational skills, along with strong computer skills.

LSU and the AgCenter are dedicated to fostering an environment where our employees feel appreciated for their skills and individual qualifications. If a candidate does not meet the minimum qualifications listed but has other qualifications or substantial experience related to the key responsibilities, we encourage them to apply (per La. RS 42:36).

Date Available: Upon completion of the selection process.

Application Deadline: October 23, 2025, or until a suitable candidate is identified.

Application Procedure: Qualified candidates must apply online using the [LSU Workday Careers site](#) (or through Workday for internal applicants) by attaching file(s) containing a curriculum vita, a letter of application, official university transcripts, and two letters of reference. Questions about the online application system should be directed to the HRM Office at 225/578-0324 or hrmhelp@agcenter.lsu.edu. (Paper, faxed, or emailed application materials will not be accepted.) In lieu of attaching the letters of reference, they may be sent directly to:
