Minimum Qualifications

Bachelor's Degree in Communications, English, Marketing, Public Relations or a related field.

- Considerable knowledge of marketing, public relations and communications principles/practices and strategies.
- Working knowledge of data collection, evaluation and reporting of program/plan effectiveness.
- Knowledge of and skill in using Microsoft Office and familiarity with design tools, e.g. Adobe Creative Cloud.
- Considerable skill in editing, grammar and writing persuasively.
- Considerable knowledge of social media avenues and technologies for current emerging trends in marketing and advertising.
- Comprehensive communication skills and the ability to effectively interact with clients of diverse cultures.
- Demonstrated ability to assist in the completion of layout and design of all School publications.
- Demonstrated ability to identify, organize and accomplish tasks in priority order and keep several projects moving ahead simultaneously all with a minimum of supervision.
- Demonstrated ability to work effectively as a member of the Dean's office team.
- Demonstrated ability to interpret guidelines, policies and procedures to fit changing situations.

Preferred Qualifications

- Considerable experience in developing and managing all aspects of effective communications and public relations plans, preferably for programs in higher education.
- Considerable experience in professional writing and editing, including for social media.
- Considerable experience at writing research press releases, as well as feature articles and news stories.
- Some experience with social media account management platforms (such as Hootsuite).
- Demonstrated ability to interact well and maintain effective relationships with external stakeholders preferred.
- Some training or experience with public health and health communications.
