<b>Job Description</b>	

### Position Summary

To be successful in this role, you must be a dynamic leader able to meet the competing priorities of resource management (including fiscal oversight, facilities management, network and user support), workforce planning, and policy implementation and compliance. As a member of the vice president's leadership team, the successful candidate must be capable of working collaboratively and communicating effectively to drive decision making and problem resolution.

Your typical duties will include:

- management of all University Advancement accounts

- review of allocations and periodic adjustment of resources, and fiscal forecasting in a changing economic environment.
- monitor and make fiscal adjustments for workforce changes.
- oversight of divisional space/facilities, space inventory and assignments, and rehab projects and moves.
- policy implementation, data analysis, and budgetary projections, providing data and reports as required.
- staff supervision and assessment.

Your ability to work collaboratively with a diverse constituency is critical, as you will interface with University Advancement colleagues and other university staff on a regular basis.

The successful candidate must be capable of communicating complex financial information (in writing, verbally and graphically) at the department and university levels. The position title level will be determined based on the level of experience you bring to the position.
