range of functions, including academic advisement, enrollment management, degree audit, and compliance with academic policies. Additionally, the role involves the supervision of an SL-3 Assistant College Registrar. The successful candidate will contribute significantly to registrar services, overseeing the accurate maintenance of student records, and playing a central role in degree audit processes. This position is integral to fostering a supportive academic environment and promoting adherence to academic standards and policies.

Key responsibilities include:

- Ensure compliance with all policies and procedures as outlined in the Jacob School of Medicine's **Academic Status Policies** as well as adhering to UB's Office of Registrar's guidelines and policies related to the student data and records residing in the student information system and linked systems.
- Oversight and coordination of scheduling, placement of clerkships, clinical electives and registration activities in UB's HUB SIS while ensuring the integrity of all student records for medical students and the populations we serve.
- Oversight for grading submissions, graduation audits, and diploma orders, ensuring accuracy and compliance.
- Oversight of academic advisement and planning for students, including Academic Advisement Reporting (HUB AAR) maintenance.
- Administer Academic Review, Academic Status Policy & Compliance, Leave of Absence, and Academic Withdrawal processes.
- Oversight of AAMC's Visiting Student Learning Opportunities (VSLO) program and process for home and visiting medical students.
- Maintenance of medical school academic calendar, term/session tables, course catalog and scheduling in UB's HUB SIS.
- Oversight with communications (including website); maintenance and strategy and planning for these areas but not limited to medical school coursebook, calendar, UBLeads courses, embedded forms, etc.
- Collaborating with various external entities for access and data verification.
- Oversight of current students and alumni services, including degree verification, transcript/diploma requests, loan deferments, professional licensure verifications, etc.
- Assisting with various student programming events, such as class meetings, orientation, and graduation ceremonies.
